Dear Prof. Dr.-Ing. Frank Mücklich and Dear Dr. Oliver Sven Schauerte,

We are very happy to congratulate DGM for its 100 th Anniversary. This means a great valuable recognition from the academic and industrial world and from partners as SF2M in France. Materials world needs organizations as yours. We hope to continue a deep partnership for the next ...100 years.

All the best regards from all SF2M members and particularly its management committee.

Danièle QUANTIN
President
